# WELCOME TO OUR COMPANY

Welcome to AL Qasim Business Solutions SMC Private Limited, where experience, integrity, and innovation come together to deliver complete business solutions. As the CEO, I take pride in leading an organization that is built on trust, professionalism, and a deep understanding of client needs across multiple industries. With over a decade of experience, our journey has evolved from regulated financial services into a diversified business solutions model. We focus on delivering practical, reliable, and high-quality solutions across multiple industries. I believe sustainable success is built through long-term partnerships, ethical practices, and continuous improvement. At AL Qasim Business Solutions, we remain committed to innovation, compliance, and excellence—helping our clients move forward with confidence.

# ABOUT COMPANY

AL Qasim Business Solutions SMC Private Limited is a diversified business solutions company committed to helping individuals, startups, and enterprises turn their ideas and requirements into practical, reliable, and scalable solutions. We operate as a one-stop solution provider, where clients can approach us with their needs and we design, develop, and deliver the most suitable business, technical, and operational solutions under one roof. With a strong foundation built on trust, compliance, and professionalism, AL Qasim Business Solutions brings together expertise across construction, IT, energy, trade, and business consulting to support clients at every stage of growth.

# OUR HISTORY

## Our History & Evolution

AL Qasim Business Solutions has grown steadily over the years, expanding from a single-industry operation into a diversified business solutions provider.

### 2010 – Currency Exchange Franchise (SBP Approved)

- Registered in December 2010 as AL QASIM Traders
- Began operations as a franchise of Pakistan Currency Exchange
- Fully approved by the State Bank of Pakistan
- Provided currency exchange and related financial services

### 2015–2018 – Expansion Into Trade & Consulting

- Entered new business segments including import/export and advisory
- Strengthened operational capacity and professional networks
- Focused on building a broader business foundation

### 2019–2023 – Construction, IT & Energy Services

- Diversified into construction and renovation services
- Launched IT design and development offerings
- Introduced solar and LPG energy solutions
- Expanded service portfolio to meet modern business needs

### 2024 Onward – Integrated Business Solutions Model

- Rebranded as AL Qasim Business Solutions SMC Private Limited
- Evolved into a complete, multi-industry solutions provider
- Delivering end-to-end services across infrastructure, technology, trade, consulting, and energy sectors

# OUR VISION

01

Our vision is to become a leading and trusted business solutions company, recognized for delivering complete, reliable, and future-ready solutions across diverse industries. We aim to be the first choice for businesses seeking a single partner that can understand complex requirements and transform them into effective, sustainable outcomes. Integrated services. We aspire to shape a future where businesses succeed with clarity, confidence, and the right solutions.

01

We envision a future driven by innovation, technology, and responsible business practices. By continuously evolving our expertise and expanding our capabilities, we strive to support economic growth, promote efficiency, and contribute to modern infrastructure and digital transformation—while building long-term value for our clients, partners, and communities.

# OUR MISSION

01

Our mission is to provide end-to-end business solutions that address real-world challenges with clarity and precision. We focus on understanding each client's objectives, constraints, and long-term goals to deliver customized, practical, and scalable solutions across construction, IT, energy, trade, and business consulting. Every solution we offer is designed to create measurable value and operational efficiency.

02

We are committed to building long-term relationships through transparency, reliability, and consistent quality. By combining professional expertise, ethical practices, and disciplined execution, we aim to exceed client expectations at every stage. Our mission is not just to deliver services, but to become a trusted partner that supports sustainable growth and shared success.

# WHY CHOOSE AL QASIM

## Professional & Experienced

Our team brings years of hands-on experience across multiple industries. We have successfully delivered diverse projects by maintaining high professional standards, industry best practices, and a strong solution-driven mindset.

## Best Service

We believe every client and every project is unique. That's why we listen carefully, adapt strategically, and support our clients at every stage—from planning to execution and beyond.

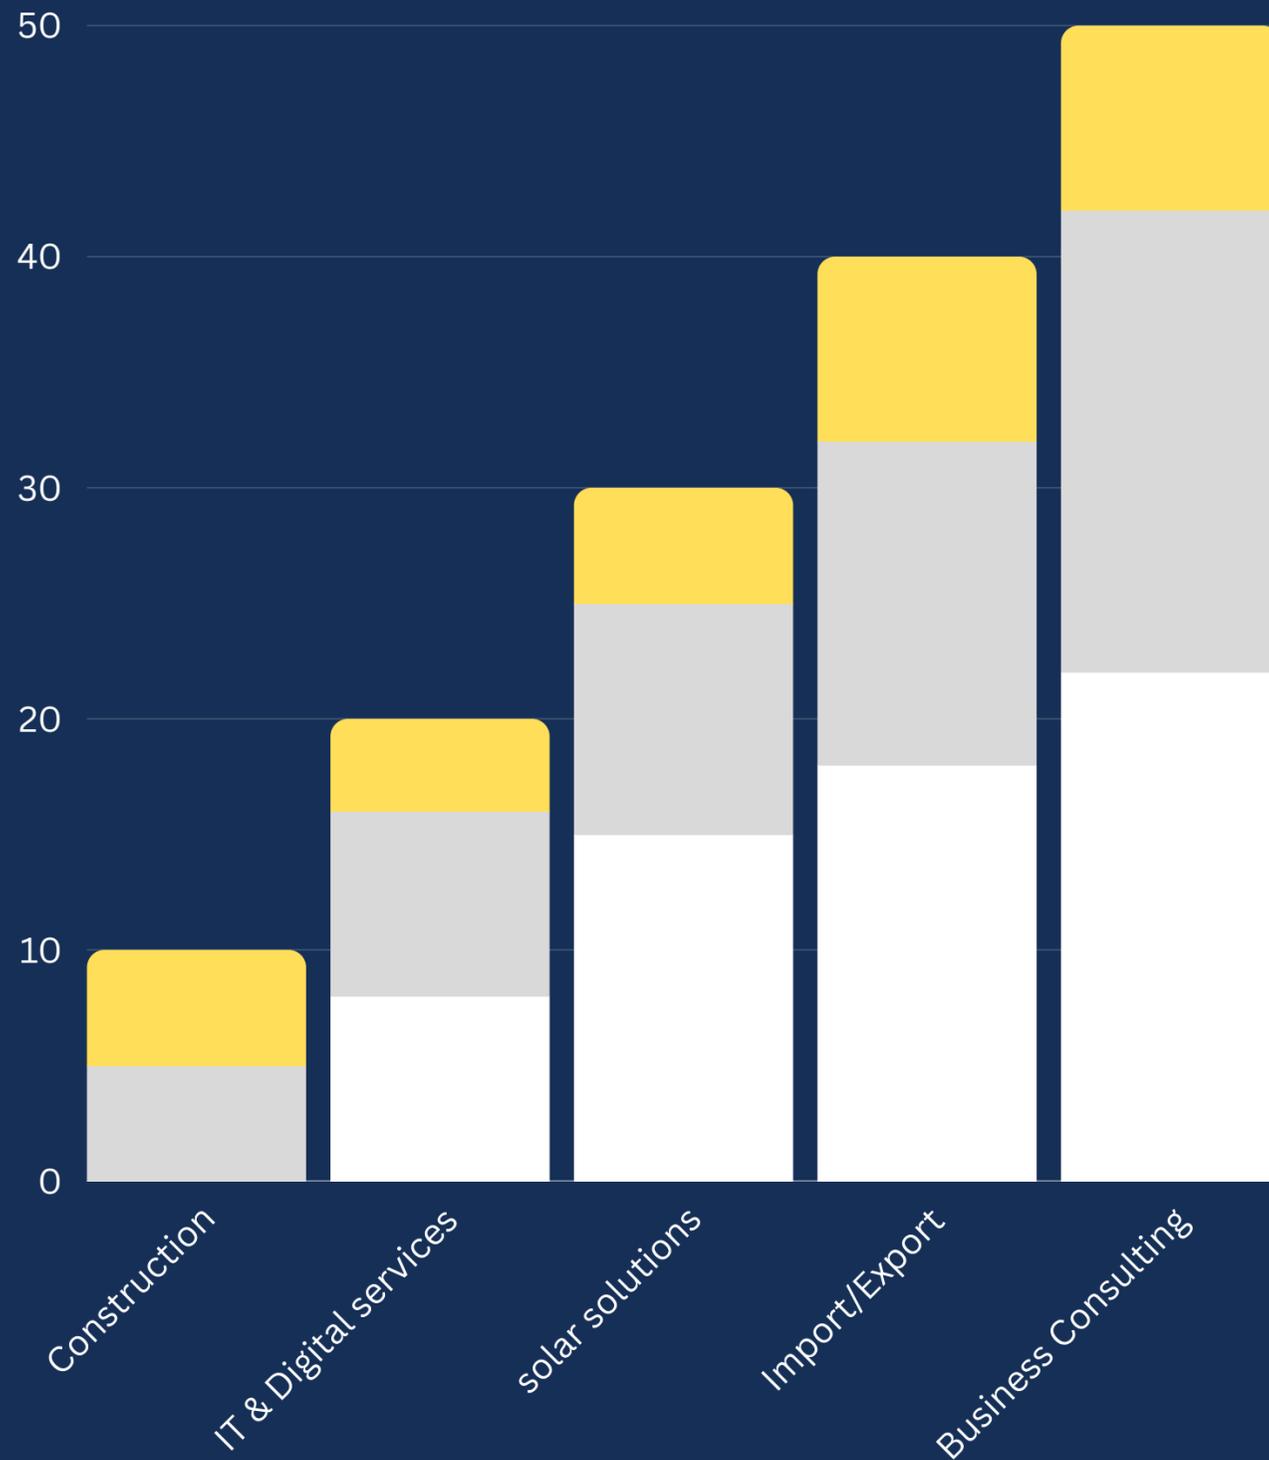

## Innovative and Evolving

In a rapidly changing business landscape, we go beyond following trends. We continuously evolve our approach to deliver innovative, scalable, and future-ready solutions that keep our clients ahead.

## Competitive Price

We offer premium-quality services at fair and transparent prices. Our focus is on delivering maximum value without compromising on quality, reliability, or service excellence.

# MARKET ANALYSIS

## Growing Demand for Integrated Business Solutions

Businesses across Pakistan increasingly seek one-stop, compliant, and reliable partners for construction, IT, energy, trade, and consulting needs.

## Strong Market Positioning

AL Qasim Business Solutions leverages multi-industry expertise and over a decade of operational experience to deliver complete, scalable solutions for startups, SMEs, and enterprises.

## Scalable Solutions for Every Business Stage

Practical, scalable services tailored to each business stage. Delivered with AL Qasim's commitment to quality and reliability.

# THANK YOU

At AL Qasim Business Solutions, we don't just deliver services, we build partnerships. Our commitment to quality, compliance, and continuous innovation ensures dependable solutions that support long-term growth and confidence in every collaboration.
